Acceptable Use Policy

Welcome to Kinduct Technologies Inc. ("KINDUCT"), a Nova Scotia based company, and the KINDUCT Website the "Website", a website available on the internet to the general public. This Website provides, among other information and data, access to KINDUCT's training, fitness and data analysis content tools. The Website and its contents and related services are owned by KINDUCT and/or its affiliates and licensors.

This is an important document and you should read it carefully. This Kinduct Platform Terms of Use & Acceptable Use Policy (the "AUP"), along with our Privacy Policy and any other applicable service agreement, defines the legal relationship between KINDUCT and you. It includes your responsibilities as a user of the Website and lists the legal recourse you may have against KINDUCT. This AUP is applicable to the Users of the Kinduct Application Platform ("Platform") and Mobile App ("App"), Kinduct's athlete management system available through the Website and via a downloadable application.

By accessing and/or using the Website, or otherwise accessing and/or using the services and information offered through the Website, you (the "User" or "You") agree to be bound by the terms of this AUP as shown at the time of each time you access or use the Website. This AUP applies to all users of the Website, regardless of whether they are members or non-members, and applies to any and all entities or persons (or anyone behalf any other acts). The contents and information that a User may read through/through of use the Website are hereinafter referred to as the "Services".

I agree to the Acceptable Use Policy above and certify that I am 13 years old or older

Privacy Policy

This document is intended to fully disclose to you, the User (as defined herein), how we collect, use, disclose and protect your Personal Information (as defined herein). KINDUCT Technologies Inc. ("KINDUCT") respects its Users' privacy and believes that Personal Information (as defined herein) should be held to the highest standard of privacy and security. KINDUCT has obtained both United States Data Privacy and Accountability Act and Canadian Personal Information Protection and Electronic Documents Act privacy legislation substantiating this Privacy Policy. Unless the permission is obtained from the context, we will ask for your consent before using Personal Information for a purpose other than those that are set out in this Privacy Policy.

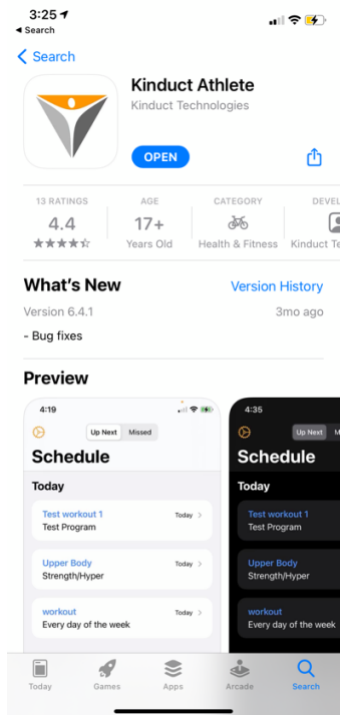

All of your conditions should be reviewed in this Privacy Policy, but if you have any questions please contact our Privacy Officer, whose contact details are below in Section 12. This Privacy Policy is applicable to the Users of the Kinduct Application Platform ("Platform") and Mobile App ("App"), Kinduct's athlete management system available through the Website and via a downloadable application.

Report Navigation

- The report contains multiple filters that will filter the testing results and compare the athlete to different groups.
- By default, it will show all results from all combines.
- Clicking “Combine” or “Position” will filter the data down to the position or combine that athlete participated in.
- Clicking the “Gold Medal Standards” selection will show how athletes compare against the Volleyball Canada Gold Medal Standards.
