14U: Athletes born from September 1, 2003 to Dec 31 2004 (16 months)

Rationale and recommendations:

The expansion of age categories from 12 months to 16 is due to the research provided in the LTAD 2.0 document published by the Canadian Sport for Life group. The paper lists the 10 Key Factors influencing Long Term Athlete Development, of which "Developmental Age" is listed as point #3. Page 28-30 provides generic information about Developmental Age and demonstrates the flaws of lumping athletes into their birth year for participation in sports. In short, the large physical discrepancies that can occur between youth within the same birth year create significant disadvantages for late developing male athletes and to a lesser degree, early developing females. Therefore, increasing the range of months within a competitive division gives athletes greater flexibility to choose a level that best suits their needs.

Some athletes born from Sept-Dec will benefit from choosing a younger division, while other athletes who play at an advanced level would benefit from the challenge of playing up an age category. Athletes, parents and coaches should consider the short term and long term benefits of playing up or down an age category. Volleyball Canada recommends that if playing up provides the needed challenge for improvement, and there exists no significant social/emotional drawbacks in the older age category, athletes should play up.

Competition Regulations

This section deals with the rules and regulations to help govern VC National Championships. The National Indoor Committee (NIC) is the primary body responsible for maintaining the consistency and quality of our competitive structures so that they reflect the needs of the participants.

5.0

Nationals Regulations

5.1 Eligibility: All teams must meet the following minimum criteria in order to be eligible to attend a VC Nationals:

- Be a registered member, and in good standing, with their respective PTA and with Volleyball Canada.
- Any foreign team looking to participate in an event must be registered and in good standing with their own National Federation (See Section 2).
- Participate in a Provincial/Territorial Championship.
- Comply with the “Stay to Play” housing policy; all team hotel bookings must be completed through each event’s hotel provider(s) and not directly with the hotel.
- Meet all additional registration requirements of their PTA and Volleyball Canada.

5.2 For a national event to be recognized as a VC Nationals, Volleyball Canada requires the participation from a minimum of 3 PTAs and 8 teams.

5.3 If an event does not meet the format event criteria listed above, Volleyball Canada reserves the right to cancel the event.

5.4. Each team will be required to provide two (2) volunteers per match to act in the role of line judge and score keeper. Each team will be provided with one additional accreditation at coach check-in to support this requirement.

5.5 **New for 2018!** All age categories will be officiated by two referees

Rules of the Game

Please consult the [2017-2018 Indoor Rulebook](#) for a complete list of rules or the [2017-2018 Indoor Rules & Policies Updates](#) document for a list of this year’s major rule changes/updates.

Warm-Up Protocol:

a) Team warm-ups will be conducted using the 5-5-5- format, which is as follows:

- 5 minutes for players to warm-up on their respective side of the court, 5 minutes to use the full court (traditionally used for spiking and serving practice), 5 minutes to use the space behind the opposite baseline (traditionally used for passing practice).

Sport Court Rule:

a) Venues where the sport court has been laid to have a temporary court:

During a rally, the last point of contact prior to playing the ball must be the Sport Court.

Example:

- one foot on sport court, one foot on the cement = play is whistled dead
- jump in the air and play the ball prior to coming in contact with the cement = play continues
- leave the playing surface and step on a chair and play the ball = play is whistled dead

Any service action must be initiated with at least one foot in contact with the Sport Court.

b) Venues where the sport court is permanent and connected:

A no play zone will be defined by the referees at the event.
