

Nationals 2020 Refund Protocol

as of April 1st 2020

Volleyball Canada wishes to thank everyone for their understanding during this time. Cancelling Nationals was not an easy decision but the health and safety of the players, coaches, staff, spectators and all others involved takes priority. This refund process will take time to be completed so we are asking you for patience as we go through the next steps. Please see below for the refund process.

Registration Fees

Two options are available to receive your registration fee refund:

1. Funds can be returned to the credit card through Goalline.
2. Teams can request an Electronic Funds Transfer (EFT).

See below for a breakdown fees and processes associated to refunds.

Next steps

If your team wishes to receive the refund via step 1 above, no further action is required and you will receive your refund as per the refund timeline below. Teams who wish to receive a refund via EFT will need to follow the steps in the following section.

EFT Process

Teams seeking a refund via EFT are asked to complete the [Electronic Funds Transfer Form](#). These forms must be completed **by April 10th**. Should you not complete the form by this date, VC will refund directly to the credit card used to pay registration.

Clubs are welcome to request multiple refunds within one EFT, please ensure to list all teams on the EFT submission.

All EFT submission requests will be double checked with the club to ensure accurate information.

Fees

A fee of \$10 per team will be deducted for all online refunds.

The EFT fee is \$45 per team for 15U–18U Edmonton Nationals, and \$35 per team for 14U Nationals.

The fee is based on a per team basis, not per EFT. If your EFT is to include multiple teams, the refund will be calculated based on total refund minus total fee for all teams being refunded.

For example, Club Spike has two 14U teams and two 16U teams to go onto one EFT refund.

14U registration x 2 = \$1900

14U EFT fee x 2 = \$70

16U registration x 2 = \$2500

16U EFT fee x 2 = \$90

Total Registration paid = \$4400

Total EFT fees = \$160

Total refund for Club Spike = \$4240

Refund Timeline

Refunds will be processed in the order of the January registration dates, and will be completed on the following schedule:

1. Week of April 13th: 17U Boys & Girls
2. Week of April 20th: 15U Boys & Girls

4. Week of May 4th: 16U Boys & Girls
5. Week of May 11th: 14U Abbotsford
