

Stay to Play Policy

Volleyball Canada (VC) has instituted a Stay to Play policy in an effort to ensure accommodations availability for all National Championship participants while also better managing competition costs.

Stay to Play is the Volleyball Canada accommodations policy for youth Indoor National Championships. Participating travelling teams are required to book hotel rooms through their event's Accommodation Management Provider (AMP) in order to be accepted into the tournament.

This policy has been put in place to benefit teams, local event organizers, host cities and Volleyball Canada alike.

Stay to Play Regulations

- Teams must book enough rooms to accommodate every player and team personnel on their tournament roster for the duration of competition.
*Example: Team of 8 Athletes = 3 Room minimum → 8 athletes = 2 rooms + coach(es)=1 room.
Team of 12 Athletes = 4 room minimum → 12 athletes = 3 rooms + coach(es)=1 room.*
- Teams must book a minimum of two nights for all rooms
- Teams must abide by the hotel's occupancy policies.
- Team Codes obtained via the registration confirmation may be required to book or confirm accommodations.
- Teams are not permitted to book accommodations prior to the registration and accommodations opening date.
- Teams are not permitted to book directly with the hotels; all bookings must be made via the event's AMP.
- Teams can only stay at designated hotels listed in the AMP's booking portal.

It is the responsibility of each team to review and abide by the Stay to Play policy. VC will cross-reference all participating teams prior to the event to ensure that all registered teams are in compliance with the policy.
