

Absolute Travel Specialists – Nationals Testimonials

We would like to thank you so much for helping us in our journey to and from Nationals. We couldn't have done it without you. Everything was perfect and ran so smoothly. Thank you for dealing with our questions and making the change in our flights to lower our costs. We heard of some teams who booked flights on their own and there were many cancellations and unexpected layovers. I am so grateful for your honest advice and for all you did to make this a smooth trip for us and others. It's a daunting task and you handled it all amazingly I'll be in touch next year 🍷🍷

Elayne was instrumental in getting our teams (5 of them) to and from Edmonton safely, efficiently and with helpful guidance. I know that it was a difficult year for the teams to travel, given the state of the airline industry but Elayne and her team were wonderful to work with. ... even with everything we asked of her – last minute additions to flight groups, cancellations of tickets, transfers of tickets etc. (we had a number of parents and athletes who did not recognize how hard it is to plan all of this!). Getting to Edmonton easily helps make the tournament more fun and relieves much of the stress the managers face.

As a rookie Volleyball Team Manager, I had to organize my first Nationals Trip to Edmonton 2020. We all know what happened ... Having dealt with Elayne Pink of Absolute Travel was a very positive experience for me. From day 1, things were always clear, information was accurate and even if I am from Quebec and she is in Halifax... I shall be booking my next personal vacations with her!
