10.0

Schedules & Seeding

10.1 Draw

Each Beach Nationals varies based on location, age category, venues, and number of courts. These variables may affect how the tournament will be organized. VC has developed a set of principles for governing how the draws will be structured.

VC strives to provide a minimum of five (5) matches at University & College Beach Nationals. Due to unforeseen circumstances, VC may not always be able to provide five (5) matches per team.

- All matches are best-of-three.
- Maximum of four matches per day.
- Maximum of one back-to-back match per day.

10.2 Format

For both men and women, the competition format will consist of two stages: preliminary rounds and single elimination playoffs.

In the preliminary rounds, teams will be divided into pools and will follow a round robin format. All teams will then advance to a single elimination round.

*VC reserves the right to change the format, depending on the number of teams registered. All teams are guaranteed their pool rounds and at least one playoff match.

10.3 Tie-Breaking Procedure

End of Pool Play Ranking

Ties between teams within pool-play are broken by the following procedures in priority order. ONLY tied teams are taken into consideration.

Tie Between 2 teams:

- The team with higher rally points ratio in the matches between all teams in the pool;
- Result of head-to-head match

Tie Between 3 or more teams:

- The team with higher rally points ratio in the matches between the tied teams;
- The team with higher rally points ratio in the matches between all teams in the pool;
- If still tied, the ranking is determined by the tournament seeding.

10.4 Seeding

The following method of calculation is used to determine a team's seeding at University & College Beach Nationals.

- Individual Athlete Ranking Points are assigned for each registered athlete, using the Senior Points System.
- Athletes will be required to submit their results to VC for ranking. Details on the submission process will be included in the registration confirmation email. Athletes who do not submit their results by August 20th 5:00pm EST will be issued zeroes for their results.

- Team Ranking Points will then be calculated using the following formula:
$$(\text{Athlete 1 Ranking Points} + \text{Athlete 2 Ranking Points}) / 2 = \text{Team Ranking Points}$$
- VC will then rank and seed in order of highest Team Ranking Points to lowest Team Ranking Points.

Athletes will have access to their individual ranking points on the event webpage no later than five (5) business days before the event. It is the responsibility of each individual athlete to verify their points totals.

To review the list of points accruing events, please refer to the Senior Points System document on the event webpage.

Volleyball Canada reserves the right to adjust the seeding in an effort to offer the best competition experience to participating teams.

10.5 Competition Schedule

VC strives to release the draft schedules one week prior to the event start date, or within 48 hours of the last provincial championship. *Please note, draft schedules cannot be made until seeding has been completed which cannot be finalised until all Provincial Championships are concluded.*

Draft schedules are subject to change and teams are required to verify the final schedule to ensure they are on time for matches.

Final schedules will be posted the evening prior to the competition start date. No changes will be made to final schedules once posted.

Schedules will be developed to best suit the needs of the gender category, venue, and draw size. A division-based or tier-based schedule may be used. Full details regarding schedules will be posted on the event webpage.

10.6 Scheduled Breaks

Volleyball Canada will attempt to schedule at least one break for all teams, each day of the tournament. If at any time, however, play should fall behind schedule, these breaks will be played through. It is each player's responsibility to ensure they are aware of the matches on court, and the order of play, to ensure they are ready for their match.

10.7 No-Show or Forfeit

Teams are expected to begin their match on time and in accordance with the schedule provided. If a team fails to show up within 10 minutes of start-time, their first set will be automatically forfeited. After a subsequent 10 minutes, the entire match will be forfeited.

11.0

11.1 Concussion Management

All medical time-outs must be supervised by one of the tournament athletic therapists. Players are not allowed to leave the playing area during a RIT. Players are permitted up to five (5) minutes total for a RIT, with the time starting from the moment the athletic therapist arrives on the court.

If an athlete becomes injured or ill during the tournament and as a result cannot continue to compete, no registration refund will be issued. Points will be awarded up to the point of withdrawal from the tournament.

To view the Medical Assistance Protocols in their entirety, please refer to the Policy section on the [VC website](#).
