Changes to event protocols may be required leading up to Beach Nationals to ensure the health and safety of all participants; any changes will be noted on the event webpage and shared with all participating teams.

Eligibility & Registration

This section deals with the registration, certification, and eligibility requirements for all Beach Nationals events. These requirements are in place to ensure an equal competitive structure.

01

Team Registration

1.1 Players: A team in any age category must have two (2) players on the team roster.

In order to be eligible to participate in Beach Nationals, each athlete on the official roster must be registered as a Youth Competitive Player with their respective Provincial/Territorial Association (PTA) and with VC. Players can only appear on one roster (one age category) per event.

1.2 Team Personnel

Team Manager/Person(s) in Authority (PIA): This is the individual/parent responsible for the on-site management of the team at Beach Nationals. This individual must be certified in accordance with VC's Safe Sport requirements below.

All 14U-18U teams must include a PIA during registration. Please refer to the event webpage for details.

Mandatory Requirements for Person(s) in Authority (PIA)

Coach: The person who is primarily responsible for coaching the team. This individual must be certified in accordance with VC's Safe Sport requirements (See *Section 3*). If the team does not have a coach traveling with them for Beach Nationals, they may leave this section blank.

- **Important:** Only those coaches identified on the team roster who have met the required Safe Sport coaching requirements will be permitted to provide coaching onsite at Beach Nationals. Please refer to *Section 3.1, Coaching Guidelines*, for details on what types of coaching are permissible.

Team Contact: Each team must list a team contact during the registration process. This person will be responsible for ensuring communication between the team and VC. The Team Contact will not be listed on the Official Roster unless they have a dual role as a coach.

1.3 Annual Membership: All participants (athletes, PIA and team personnel) must complete their membership registration process with their respective PTA. By registering with their PTA, these participants will automatically become registered members with VC. Only individuals that are properly registered and in good standing are eligible to take part in competitions sanctioned or hosted by a PTA or VC.

1.4 Province/Territory of Residence: A player/team must purchase their annual membership(s) within the province/territory in which they reside. No player/team is allowed to register with a PTA outside their province of residence without the prior approval of VC and the two (2) PTAs involved. In addition, no player/team is permitted to register with more than one PTA at the same time; players who wish to change PTAs mid-season must receive approval from VC and the PTAs involved.

1.5 Participating at Beach Nationals with an athlete from another PTA: If two athletes, from different PTAs, wish to register as a team together at Beach Nationals the process is as follows:

1. Submit Request to Play: Players must submit a Request to Play form to VC. VC will then follow up with the two (2) PTAs involved for approval. Team contacts will receive an email within five (5) to seven (7) business days, with the results of their request.

All forms are located on the Beach Nationals event page.

2. Register for Beach Nationals: Once approval has been received from VC, teams may register for Beach Nationals.

Note: Teams may register for Beach Nationals, prior to receiving final approval from VC. However, any teams who are denied, or fail to submit their request to VC, prior to the event withdrawal deadline, will be removed from the draw and their refund will be subject to an administration fee.

1.6 Provincial Championships: All athletes wishing to participate in Beach Nationals are required to participate in their respective Provincial and Territorial Association (PTA) Championship. Exemptions may be granted in the following cases:

If the team members are participating in a VC sanctioned event or program, which include:

- a. NORCECA or FIVB circuit
- b. Canada Cup
- c. Provincial Team programs

- d. Canada Games

1.7 Minimum Age: All athletes, coaches and team personnel members that are on the official roster for Beach Nationals must be a minimum of 11 years of age.

1.8 Age Categories: Beach Nationals features five (5) age-categories for youth from 14U – 18U.

There are no restrictions on teams or athletes playing up an age group at Beach Nationals. However, seeding points will be adjusted if the age-group is different than the age-group at Provincial Championships. See *Section 13.0* for full details on seeding.

A team “playing up” is defined as a team who is registering to play in an age group that is older than the one they declared for with their PTA during the club season. For example, a team who plays primarily as a 15UB team and competes at 15U Beach Provincials with their PTA who wants to play in the 16UB Beach Nationals.

Competition Regulations & Participation Information

This section outlines the rules and regulations which govern VC National Championships beyond the Rulebook. In addition, general information and guidelines for participants and spectators are covered here.

5.0

Hosting Guidelines

5.1 For an event to be recognized as a Beach National Championship, VC requires the participation from a minimum of eight (8) teams from three (3) PTAs for 16U – 20U events and 2 PTAs for 14U/15U events.

5.2 If an event does not meet the format event criteria listed above, VC reserves the right to cancel or alter the event.

6.0

Rules of the Game

[FIVB Official Beach Volleyball Rules](#) will be used apart from the Volleyball Canada variations. A few notable variations for Youth are included below. Please refer to the Volleyball Canada website for a full description of all rule variations.

6.1 First Contact Rule (15U and below)

Receiving serve or first contact with an overhand motion using the fingers (volleying/setting) is not permitted, regardless of the quality of the contact.

The first referee will use the "double contact" signal to indicate this infraction. Exception: Hard driven ball.

6.2 Second Contact Rule (15U and below):

On a team's second hit, contacting the ball more than once with fingers (double contact) in a single attempt to play the ball is not a fault if the ball is next legally contacted by a teammate.

6.3 Service Rules (15U and below):

The scorer must indicate the proper server order and correct any incorrect server. A scorekeeper's errors in service order are to be corrected when the fault is discovered, with no penalty to either team.

A service order fault is punished by loss of rally or points scored if a team, prior to their service, has been correctly notified by the scorer, second referee or first referee, that they are out of order. If it is possible to establish the exact time of the fault, the points scored after the fault are cancelled for that team.

6.4 Service Receive Rule (15U and below):

In sets 1 and 2 of a match, up until the technical timeout, the last player to serve for their team (at the moment of service hit by the opposing team) must be positioned closer to the right sideline than their teammate. These court positions must be maintained (for service reception) until the team regains the right to serve.

6.5 Cameras and Tripods

Teams are permitted to record matches throughout the Beach Nationals tournament, however, please note:

- Tripods are not permitted on the court
- Cameras on tripods cannot be left unattended
- VC is not responsible for any damage to the camera or related equipment
- VC reserves the right to restrict/deny the filming of any matches for safety and/or other reasons

Beach Nationals are held as three (3) day events. Day 1 is Pool Play, Day 2 is Power Pools and Day 3 is Playoffs. Teams will play all three days of the event with a minimum of one (1) match on the playoff day.

Each Beach Nationals varies based on location, age category, venues, and number of courts. These variables may affect how the tournament will be organized. VC has developed a set of principles for governing how the draws will be structured.

VC strives to provide each team a minimum of seven (7) matches at Youth Beach Nationals. Due to unforeseen circumstances, VC may not always be able to provide seven (7) matches per team.

- All matches are best-of-three.
- Maximum of four matches per day.

Ties between teams within pool-play are broken by the following procedures in priority order. ONLY tied teams are taken into consideration.

Tie Between 3 or more teams:

13.3 Seeding

New for 2024! The seeding for all age/gender categories at Beach Nationals will be based on a point system. VC will collect two data points: an individual's Provincial Championship Seeding and Provincial Championship result.

A draft of the seeding will be shared with team contacts and teams will be permitted to provide feedback. After this time, the final seeding will be posted on the event webpage. Please see the 2024 Youth Beach Nationals Seeding document for full details regarding the seeding rules for each age category.

Please note that seeding can only be completed once all Provincial Championships have been completed. VC aims to distribute draft seeding one week prior to the event or within 48 hours of the last provincial championship.

Volleyball Canada reserves the right to adjust the seeding in an effort to offer the best competition experience to participating teams.

13.4 Competition Schedule

VC strives to release draft schedules one week prior to the event start date, or within 48 hours of the last provincial championship. *Please note, draft schedules cannot be made until seeding has been completed which cannot be finalised until all Provincial Championships are concluded.*

Draft schedules are subject to change and teams are required to verify the final schedule to ensure they are on time for matches.

Final schedules will be posted after check-in, the evening prior to the competition start date. No changes will be made to final schedules once posted.

Schedules will be developed to best suit the needs of the age/gender category, venue and draw size. A division-based or tier-based schedule may be used. Full details regarding schedules will be posted on the event webpage.

- An improper decision by the referee who did not apply the rules or regulations.
- An improper decision of the scorer who made a mistake on the rotational order or on the score.
- A technical aspect of the match conditions (weather, light etc).
- Please note that judgement calls cannot be protested. A referee's decision regarding a playing action (ie. ball handling or misconduct) cannot be protested.
- The protest will be accepted or rejected prior to the resumption of play by the tournament jury.

17.4 To officially protest or appeal a decision, the captain must launch the protest immediately to the first referee who will then indicate to the scorekeeper that a protest has been lodged.

A fee of \$50 must be provided in cash immediately in order to assemble the Competition Jury to assess the protest. The funds will be returned if the protest is upheld; however, if it is overturned, the funds will go towards referee development.

17.5 In case of an incident during a match, the protest has to be requested at the moment the incident occurs, before play resumes. To review the full Protest Policy, please refer to the Policies page on the VC website.

Safe Sport Reporting

VC has zero tolerance for any type of abuse. Individuals are required to report abuse or suspected abuse to VC or to a Provincial/Territorial Association so that those matters can be addressed in an expeditious manner.

For more information, please see the Safe Sport [Complaint Process Overview](#). Reports can be made to the Abuse-Free Sport Helpline - 1-888-837-7678 or email info@abuse-free-sport.ca or electronically through: <https://sportintegritycommissioner.ca/report>

Education - As of April 1, 2020, anyone associated with a Sport Canada-funded organization must be trained on conduct to prevent and address maltreatment. This includes coaches, referees, parents of youth athletes, high-performance staff and contractors, officials; and all administrative staff and volunteers whether they may have direct contact with athletes or not.

VC requires that all individuals involved with the sport across the country take an approved safe sport e-learning module:

1. [Respect in sport for Activity leaders](#) – this course educates youth leaders, coaches, officials and participants to recognize, understand and respond to issues of bullying, abuse, harassment and discrimination.
2. [Coaching association of Canada's Safe Sport Training](#) – this eLearning module gives all participants the tools to recognize, address, and prevent maltreatment in sport. The module aligns with the principles of the Universal Code of Conduct to Prevent and Address Maltreatment in Sport.

Background Screening - All coaches, staff members, volunteers, referees, team staff members and Integrated Support Team (IST) members involved in VC domestic competitions are required to have completed a criminal record/police check issued within 36 months of the activity being attended. These requirements apply to all disciplines.

Volleyball Canada has a partnership with Sterling Talent Solutions, who provide an online, Canada-wide criminal record check service. This is a more secure check and can be shared with other organizations. To get your check click here - [Backcheck Canada - Sterling Backcheck](#)
