

Important Reminders for the 2024 Nationals

- Make sure to download the Volleyball Canada app! The 2024 Nationals Hub is now live which will be your guide to navigating the 2024 National Championships. Download the app and check in regularly for information on the venues, tourism, event calendars and much more.
 - Available on [Apple](#) and [Google Play](#)
- Important Check-in Reminders
 - Only individuals on the official team roster can check-in their team (head coach, assistant coach, team contact, manager)
 - Players are not required to be at check-in.
 - Teams who are not available during the listed check-in time will be required to submit a [late check-in request](#).
 - Coaches must carry proof of age of all players & their NCCP number throughout the entirety of the event (photo or paper).
 - Roster changes at check-in are not permitted.
 - *New for 2024!* Due to the new roster collection process, if an update was made to the provincial roster between VC's roster lock (March 28th) and the team's provincial championship, teams are permitted to update their roster on site. This will only be permitted with an approved/stamped provincial championship roster or a letter/email from the province confirming the update.
 - The Fair Play rule is enforced for the 14U age category. Roster will include a section where teams can scratch (X) players who won't participate in each match.
- Please note that the facility will open daily at 6:30 am
- Please be prepared for a loud atmosphere! There are a lot of people cheering, whistles and noisemakers on site. We encourage ear plugs and appropriate ear protection for young children/infants.
- Each team will be responsible for providing one scorekeeper for each of their games. Teams can choose to designate one individual or they can alternate from match to match. One additional team accreditation will be provided to each team to be used at their discretion for these individuals. Please read our scorer and line judge info sheet for a full role [description](#).

Important Reminders for the 2024 Nationals

- Teams are required to provide an athlete line judge for each match. If a team cannot supply anyone for this role they must notify the referee. The referee will make the final call on whether or not line judges will be used based on availability per team. Please read our scorer and line judge info sheet for a full role [description](#).
- Teams are not permitted to bring coolers of food into the competition facility, check the Nationals website for further details for food options on site.
- Seeding for all teams will be completed as per the [2024 VC National Seeding Guidelines](#).
- A schedule template is now available on each Nationals webpage and can be referred to in order to review the schedule format for each event. [Schedule Template](#)
- Official protests are to be made at the moment of the incident along with a fee of \$100 (cash only). Protest fee will be returned if the protest is successful.
- New for 2024! Schedules, results, and team rosters for the 2024 Nationals will be posted on [AES](#).
