

# Nationals Large Club Booking Assistance: Overview

---

## 01

### Who is Eligible

Clubs that meet **both** of the following criteria are eligible:

A) **Minimum Number of Teams**

- 3+ teams if the event has a single gender/age group
- 4+ teams if the event includes multiple genders/age groups

B) **Hotel Requirement**

- The club is looking to have *all teams stay in the same hotel*.

Eligible clubs will have the opportunity to book their teams into one of Volleyball Canada's designated **Large Club properties**.

*Note: Clubs are not required to use this process and may instead book individually during the regular accommodation booking window.*

### How It Works

**Step 1: Receive Eligibility Email**

Volleyball Canada will contact all eligible clubs by email on **Tuesday, January 27**, with details on how to opt into the program.

**Step 2: Opt-In Process**

If your club wishes to participate:

- Assign **one Club Accommodations Manager** to oversee the process for all participating teams.
- The Club Accommodations Manager must complete the opt-in form provided in the eligibility email **before the deadline**.

**Step 3: Receive Booking Link**

Hudson Travel Group (HTG) will send an email with the booking link to the designated Club Accommodations Manager **on the day of booking**.

#### Step 4: Book the Rooms

When the portal opens for Large Club booking, the Club Accommodations Manager logs in and reserves one (1) room block for the entire group.

## Key Dates

January 27	Eligibility Emails Sent
February 3	Deadline to Opt In
February 5	Large Club Booking Launches
February 6	Large Club Booking Closes (Noon EST)

## Important Notes

- **Block Booking Required**

Clubs must book **one room block** during the launch (e.g. four teams = a single block of 40 rooms).

- Once confirmed, the block can later be split by HTG into individual team bookings if preferred.

- **Late Additions**

Volleyball Canada may consider late additions to the program if clubs become eligible after eligibility emails have been sent. However, no new clubs will be added after **February 2, 2026 at 5pm EST**.

- **Room Caps**

Room limits apply as per each event's guidelines.

- Example: In Ottawa, 12 rooms per team cap → 4 teams = 48 rooms maximum.
- Requests for additional rooms above the cap will be reviewed by HTG *after* general booking opens.

- **First Come, First Served**

Rooms are limited during the Large Club booking window.

It's recommended to shortlist a few hotels in advance in case your first choice fills quickly.
