Parking

Front and Side Parking Lots – CGC Parking Only

These lots are designated for Canada Games Centre User parking only and now have ample signage indicating as much. Security will be on-hand to help direct transit riders to park in the Upper Lot, where their vehicles will not be ticketed/towed.

Upper Lot – Additional CGC Parking, but okay for Transit Rider Vehicles

Our Side Lot leads into another lot – the Upper Lot. This area can be used for additional CGC parking, during tournaments for example, but is also okay for transit rider vehicles. Please keep in mind though that parking is limited and that none of our lots allow for overnight parking.
