* Module is only required if not already completed through another pathway

Volleyball Canada is requiring that all individuals involved with the sport across the country take the new safe sport training module. As of April 1, 2020, anyone associated with a Sport Canada-funded organization must be trained on conduct to prevent and address maltreatment. This includes coaches, referees, parents of youth athletes, high performance staff and contractors, officials; and all administrative staff and volunteers whether they may have direct contact with athletes or not.

For more information on Safe Sport training, please check out: safesport.coach.ca
