Length of Contract

From April 30 to September 30, 2019.

Role and Responsibilities:

Basic responsibilities to include (but not limited to):

- Develop and deliver of physiotherapy support, including manual therapies and other modalities, to members of the Men's National Team Program
- Conducting baseline musculoskeletal assessments of athletes and screenings to assess health and physical condition
- Lead primary prevention initiatives on and away from the field of play.
- Managing immediate and longer-term rehabilitation of athletes (maintain accurate and up to date electronic medical records (EMR), assist in coordinating specialist appointments and consultations)
- Developing treatment plans based on clinical assessment, diagnostic imaging and other consultations.
- Evaluate current research to broaden your knowledge of the sport as well as general knowledge of trends and findings within the field of therapy
- Maintain medical supply inventory, and coordinate the packing of medical kit and extra equipment when the team travels to competitions
- Develop appropriate Emergency Action Plan for various training environments
- Communicate effectively as part of a high performing interdisciplinary team
- Work using a collaborative approach to tackle sport specific challenges and questions
- Consult and refer specific athlete issues to relevant practitioners within the IST
- Adhere to any professional codes of conduct appropriate to your profession or other codes of conduct that might be deemed applicable to sports science and sports medicine practitioners in general
- Present workshops, lectures and seminars as required by the Director, Performance Services (including but not limited to, Advanced Coaching Diploma, Coaching Conferences, National Sport Science & Medicine Advisory Committee meeting)

Requirements:

Candidates must have the following:

- Professional liability insurance
- Valid Sport First Responder Certification and/or valid CPR-HCP and AED Certifications
- Ability to travel and work irregular hours, weekends and be on-call for emergencies for time sensitive and priority issues.

Desired Qualifications:

- Advanced degree (M.Sc.) in Physiotherapy
- Sport Physiotherapy Certificate or Diploma (SPC), FCAMPT, Acupuncture and IMS certification would be considered assets.
- Minimum of 5 years of experience working in a high performance sport environment (including National and International Competitions).
- Experience developing and implementing injury prevention routines for athletes
- Knowledge of the Canadian Sport System would be an asset.
- Excellent written and interpersonal communication skills. Bilingualism is an asset.
- Ability to work in a time-sensitive environment with a high degree of independence and initiative.
- Good team building skills and the ability to be flexible and adjust to changing priorities
- Demonstrated knowledge of, and previous involvement within, an International/Professional sport environment
- Valid driver's license is an asset

Volleyball Canada reserves the right to request a Police record check prior to offering a contract

Compensation:

Based on the candidate's experience and qualifications.

Application Procedures:

Interested candidates should submit a covering letter and short resume (**by e-mail only**) listing relevant experience. Please return to Kerry MacDonald at kmacdonald@volleyball.ca

Application Deadline: Feb 24, 2019
