

2026 Volleyball Canada Open NORCECA Trials

Objective:

To determine a final ranking of **1st through 4th place teams**, which will form the updated **Volleyball Canada (VC) NORCECA Eligibility List**.

Teams will be offered entry into NORCECA events based on their position in this list.

If eligibility drops beyond the 4th-ranked team, the offer returns to the top of the list (i.e., the 1st-ranked team will be offered the next available berth).

Teams selected will be entered into **two consecutive events** and must average a **medal finish** across those two events (a combined placement of 6 or lower) to earn another two entries. If they do not, the next team on the list will be offered the next opportunity.
